Further to the Wales & West Utilities connection quotation dated accepted on I confirm on behalf of my company that we now wish to undertake the Final Connection works at the above site, and that will be undertaking the works subject to the terms and conditions of the UIP/GT Connection, Service Disconnection and Service Alteration Agreement entered into between Wales & West Utilities and the Customer. In addition, I acknowledge that the carrying out of the proposed Connection will be subject to

- i. the submission to and approval by Wales & West Utilities of a full final connection design submission,
- ii. the issue by Wales & West Utilities of an Authorisation,
- iii. the submission to and approval by Wales & West Utilities of a Routine or Non Routine Procedure (if applicable) under Wales & West Utilities Safe Control of Operations procedures,
- iv. any express variations or amendments in the Authorisation (as the case may be).

Works on Site are anticipated to commence on.....

Works on Site are anticipated to be complete on

Site Contact:

Accordingly, we propose that the contract between us (formed by the Wales & West Utilities connection quotation and our acceptance, both as referred to above) shall be amended such that the connection works will not be performed by Wales & West Utilities, but will instead be performed by us or our contractor, and that the Contract Sum is reduced to zero.

For and on behalf of the Customer
